GIANT: Partners

Academic Partners
- Grenoble Ecole de Management (GEM)
- Institut Polytechnique de Grenoble (G-INP)
- Université Joseph Fourier (UJF)

National Research Organizations
- Centre national de la recherche scientifique (CNRS)
- Commissariat à l’énergie atomique et aux énergies alternatives (CEA)

European Large-scale Research Facilities
- European Molecular Biology Laboratory (EMBL)
- European Synchrotron Radiation Facility (ESRF)
- Institut Laue Langevin (ILL)

Underpinned by local/regional/national/international authorities
The GIANT partners are working together with a common set of objectives:

- to respond to major societal challenges; information, energy and health
- to remove barriers to create centres of excellence
- to achieve a major urban transformation by harmonizing urban and scientific development
JSIam 2014: Objectives

- Connect GIANT Junior Scientists to Industry professionals: bridge the gap between industry & research, networking
- Shed light on the types of PhD appointments in companies: Prospect new potential sectors, open new career opportunities, confirm professional projects
JSIAM 2014: Real opportunities!

« Doc & Postdocs Superstars »
15 seconds to convince!

- Very attractive concept for industry professionals
  - Direct and easy access to Junior Scientist pool
  - Overview of skills, discussion of career paths
  - CV data base
- Successful event: post doc positions, job offers

+ GEM entrepreneurship interactive session
2014 key messages

- PhD is your advantage to get a job!
  - you are the expert
  - you know how to make a structured work,
  - intellectual rigor, curiosity and creativity
  - Transferable to sale and marketing job

- Improve: entrepreneurial spirit, leadership and adaptability to industry constraints, make science intelligible to convince

- Women: don’t underestimate yourself, integrate men strategy in your professional life, kids are not an obstacle for your career

- Build your network and your international experience, be connected, proactive, challenge yourself !!!
Roundtable session: entrepreneurship interactive session
- Matching MSc Entrepreneur students from Grenoble Ecole de management with junior scientists to work on a project
- 2 hours to come up with an elevator pitch for their product / start-up

Join the LinkedIn group: JSIam alumni
- Please give us your feedback and submit your ideas!
- Keep us aware of your successes !!!
